VALLEY TEACHERS CONVENTION ENDS

Artesia, N. M., Nov. 29,-The Pecos Valley Teachers' association has closed There were over 70 teachers in attendance. Amogn the out of town participants were Prof. Vaughn of the Agricultural and Mechanical college of Las Cruces; Prof. Roberts of the normal school at Las Vegas; Prof. McFarland of the normal school at Silver City; Prof. Brasher of Roswell and superintendent Hill of Chaves county. The teachers of the Artesia public schools tendered the visitors a reception at the Commer-

Klabe Kyle of the plains country won the title of "Champion bronco buster of the Pecos valley" by riding the unde-feated "Texas Bay" at the ball park for a purse of \$200. After several quick pitches the horse realized he had found his master and gave up the contest. A

his master and gave up the contest. A large crowd took in the sport.

The women of the Christian church cleared \$125 from their Thanksgiving dinner at the Hotel Gibson.

The Roswell high school defeated Artesia high school and Western college in a hotly contested game of football by a score of 6 to 0 at Artesia.

In a pool match of 125 balls between F. A. Vesger and Carl L. Tenney both

In a pool match of 125 balls between
F. A. Yesger and Carl L. Tenney, both
of Kansas City, the former won by 125
to 33, making one run of 30 balls. After
the game Yeager gave an exhibition of
fancy shots in one of which he sent four
balls in as many holes with one shot.
E. F. Phillips and E. E. McNatt gave
a dance to their friends in the dining
room of the Hotel Hardwick. Refreshments were served

were served. The Home Mission society of the Meth edist church, south, gave a reception at the home of Mrs. C. A. Sipple. A musical and literary program was given, fol-lowed by refreshments.

The Commercial club has secured sub-

iptions of about \$100 per month to be devoted exclusively to advertising.

Triumfo Company Receives Steel for New Smelter. Schwab Sells De-

nouncement.

Cananea, Sonora, Mex., Nov. 29 .-The smelter of the Greene-Cananea company is operating with six furnaces. Construction work is going steadily on and most of it will be completed by the first of the year.

The Cananea-Boston is opening up considerable ore at its properties north The Triunfo company has received

all the steel for its 50 ton smelter and work is now being done at the property constructing the plant.

The Santa Fe has opened up from 21/2 to four feet of ore for a distance of OIL PROSPECTORS 100 fet on the 200 foot level of its Montoya shaft.

Gaston Schwab has sold his Schwob No. 2 denouncement to the Cananea-Boston company for 6000 pesos. The shaft of the San Jose mine, in the Alamos district, has reached

depth of 110 feet. The ledge is 30 feet wide and carries good values. The Rosario mine in the Nacozari district is employing 30 men at present and a large tonnage of high grade copper ore is being extracted. The ore is

shipped to the El Paso smelter. The recent strike at the San Salvadoe property, southeast of Cananea, has shown an average value of \$30 United States currency, per ton in gold, silver and lead.

Installing Hoist and Pump

The Prieta mine, at Sobia, is installing a holst and pump. The shaft has reached a depth of 100 feet and will be sunk to the 200 level. Over 250 feet of work has already been done. The ledge is 12 feet in width. The average assay is 14 ounces in gold.

The Penn-Sonora property, located no miles south of Nogales, has recently HOPKINS AND PARTY TO A new hoist has been installed at the

Nuevo Promontorios mine, in the Alamos district, and the shaft will be sunk from the 100 to the 300 level. Considerable customs work is being done by the mill of the San Javfer

Copper company. It is located 35 miles west of Alamos. A concentrator will soon be installed at the property of the Creston de Co-bre, located 36 miles west of Hermo-

M. S. McCarthy, of Alamos, is developing a copper property near Agua Callente, on the east side of the Yaqui iver, between Cumarina and Realito. The new mill of the Mesa Rica company, in the Sahuarina district will be ready for use the first of the year. The property contains a ledge 70 feet wide which yields free milling gold ore

which averages \$17 U. S. currency, per Thirty men are employed by the after the test. its three-days' session at Artesia, given mayo Mines company, which is operational to Canada have passed through under the direction of president Poore of the company of t from Alamos. S. G. Burn is superin-

North Tigre Examined.

The property of the North Tigre company has been recently examined an expert representing Canadian capitalists. Samples across 18 inches ran 325 ounces in silver and 4.3 ounces gold. The vein averages 80 ounces silver and .62 ounces gold, a little over \$20 United States currency per ton.

The La Junta shaft, in the Sobia district, has reached a depth of 185 feet. A small smelter has recently been installed and some of the ores are now being treated. Most of the ore is sent to the San Javier mill nearby. It is a and Barry. gold proposition.

The new concentrator of the Santo Domingo company, at Alamos, is now operating with success. Spurr & Cox are prospecting with a

churn drill on the Jojoba property in the Magdalena district, which they are holding under option. The new smelter of the Mina Mexico property, owned by the Chicago Exploration company, is almost completed." The property is located in the Sahua-

ripa district. It is reported here that a strike has been recently made at the Santa Rosa lia mine on the 550 level.

TERRAZAS BUYS THE FRANK LEWIS MINES

Deal Closed For One at \$70, 000; Another for \$30,000 Pending.

Colonia Dublan, Mexico, Nov. 29 .-Frank Lewis, of Colonia Juarez, has sold his mine, located near the Dos Cabezas mine, to Juan Terrazas for

Senor Terrazas holds an option on another mine belonging to the Frank Lewis company that is valped at \$30,-600. Mr. Lewis was in Ocampo when heard from last and they are awaiting his arrival to sign up the papers and complete the transfer

The La Fortuna Mining company have only about 10 men employed doing investment work and building monuments. The mine at Nueva Casas Grandes looks better than ever and its owners feel very much encouraged.

Mr. Duthle, of Colonia Juarez, is expecting some parties in to look at the mining property belonging to the Summit Mining company. The claim they wish to sell is located in the San Pedro district and joins the property of Sheldon hotel. Pat Durack, from which a shipment was made recently of a little more than a car of ore and it netted him more than \$15,000, Mex. Mr. Durack had to suspend operations on his mine, because he was unable to secure coal enough to keep the machinery in op-

TO HANDLE TOUGHS

Extra Policemen Appointed in Anticipation of Visit From Yeggmen.

Dalhart, Texas, Nov. 29.-Exeraordinary precautions against the flood of tough characters and yeggmen operatin lately at Texline, Tucumcari and Dawson, points adjacent to Dalhart, are being taken by the city and county officials and extra police are being

placed in service. Rev. J. W. Hunt, of the M. E. church South, who, for two years, has been pastor of that church, has been transferred to Snyder, Texas, Roy Thompson and bride have re-

turned from their trip south and have taken their home at the residence of judge J. E. Moore, Denver avenue. Homer Rowe, president of the Dal-hart Commercial club has returned with his bride from Midland, Texas, and is occupying his beautiful home

on Denrock avenue. The Desoto hotel was the scene of great merriment and joy occasioned by a banquet and reception in honor of Miss Louisa Mooning, of Amarillo, Texas, guest of Mr. and Mrs. Cony C.

The new Episcopal church on Eighth and Denver is fast nearing completion. Mrs. W. E. Jarrett, one of Dalhart's earliest settlers, is very ill with pneu-monia at her home on Fifth street. J. A. Smart, connected with the car department of the R. I. Railway Co. at Dalhart, has perfected an air pressure rip saw machine that is being in-

on the system. Chas. E. Williams, Dalhart's veteran automobile man has equipped one of his new cars with an alarm whistle resembling very much a full fledged brass band. Col. R. S. Coon, on his European trip this summer, in Paris, France, discovered the device and secured one for Mr. Williams.

A special car left Dalhart over the Denver road for Amarilla containing the Dalhart Elks who celebrated at IS LOWERED 75 FEET. that point with the Elk lodge in one

WORK STARTS ON LOGAN DAM SURVEY

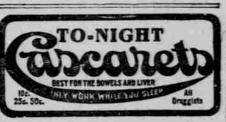

Tucumcari Gets Shoe Polish and Denatured Alcohol Manufacturing Plant.

Tucumcari, N. M., Nov. 29.-Work on cerest in 58.3 acre tract in survey 92, the survey of the proposed Logan irrigation dam has begun, J. C. Fields and three assistants were in Tucumcari, having been viewing the land at Bell ranch, 14 miles north of here. R. L. Smith. Tomas Romero and Paul Clark of Logan accompanied them.

Tucumcari is greatly interested in this survey as it will mean the reclamation of approximately 75,000 acres of tillable land, and make this city the principal market of its crops. The land involved lies to the east and north of this city. Buchanan and Jordan is the name of the new firm which is manufacturing all kinds of shoe polishes and various chemical products in Tucumeari. W.
